Dear Bob

Thanks for your recent letters, I am sorry it has taken so long to reply but I had hoped to be able to forward the original winning cheques to you - Cheque No. 3480 dated 25.9.87 in the sum of £30,737.82p and Cheque No. 3399 dated 14.9.87 in the sum of £22,215.24p. Unfortunately our Bank is having difficulty in locating these cheques, but they do assure me that they will forward them when they locate same. Rest assured I will immediately send them on to you.

I am more than happy to confirm that the only reason your account was closed with us, was because you had become a luxury we could not afford!

I appreciated your kind comments on the courtesy you received from us.

Best wishes.

Yours sincerely
